Appreciate all prayers, support and concerns received consistently from the depth of our hearts .

I sincerely apologise for not able to communicate for the last three (3) months going to four.

The ministry is okay by the Grace of God. We have brother Rolta Petermama added in the family of God.. Mr. Rolta got saved second week of October and brought to us great joy as one of the fruit added to our church as we continue to serve here in Honiara.

My family and I are Ok, yet toss with unexpected challenges as common. We received a call from home early this month from my wife's side of family. Her ill father was rushed to the hospital and just before consciously passed out, he requested (Natasha) my wife to return home ASAP. I sent my wife and our little (4) year old Nadien home early this month due to her Dad's condition, and also following his request. He is currently on chemo treatment after the Doctors thoroughly checked him. Dad was ever glad to see her daughter together with Nadien the grand-back home with him. He is gradually getting better.

Myron my (7) year old son and I are praying and hoping my wife and little sister will return home to us sometime first week of next month.

Now for our news letter, I won't be able to send our current news letter out as my laptop is currently under service. That's why I am posting out this information. I'll be sure to send our news letter as soon as I retrieve my laptop back from service.

Some pointers to pray for:

- Pray for Natasha (my wife) and Nadien's soon return.
- Pray for Myron as it was his first experience to let his Mama and little sister fly home without him and Daddy.
- pray for the growth of our ministry. We have thankfully come up with a name of our church. It is "Honiara Baptist Bible Centre Church" ☐ (HBBCC)
- pray for our visas. Solomon Islands immigration only give two years for foreign long-term visa. (It was approved on December-07th-2023, and will expire coming December-07-2025. Am lodging in my Work Permit this Friday and hope the approval will take not take more than (2) weeks. Once I got the work permit, then together with my work permit I will submit all our visa applications. Hope we won't be charged for over staying if our visas are not approved on time.
- pray with us also for a vehicle. Ministry is pretty challenging with lack of mobility.
- pray for our financial needs, as we have little extra on our plate to take care of.
- Pray for our white Christmas (☐ joke!!) Christmas is coming up soon. With our visa issues, we do not have any traveling plans, unless if we are forced by the immigration to leave if for visa related issue.

Again our sincere apology to everyone for any inconveniences so far. We do greatly appreciate ever for faithfully holding onto the rope for us.

In God's Precious Hands!

Kelly's,

Dominic, Natasha, Myron and Nadien. U
