The Scripture says it correctly that, "In every thing give thanks: for this is the will of God in Christ Jesus concerning you." I Thessalonians 5:18

We, the Lamberts, wish to give you a quick update on my medical situation, both to pray and to praise the Lord.

On Thursday, October 5th, a biopsy was done and on the 11th, the results were read. It is according to the medical world, conclusively, that I have cancer. We pray and continue to pray that our God will intervene. Join us as we continue.

The situation now is following the next step, which will be treatment. Pray for God's leading into the less invasive, yet long lasting treatment applicable to my situation. Pray for the supply of funds to do what is needed, for we have **no medical insurance**.

The estimated cost of expenses for SCANS, MRI, LASER, etc., is **\$40,000.00**. Pray for strong moral support as we plot the way forward looking at treatment in January.

A medical fund page is established at the mission and any support to this exercise may be sent to the mission, air-marked, **Lambert Medical Fund**. Our God is still in control and so we continue to trust Him.

Further, periodic medical updates will be given as we progress.

Keep praying and let us watch our God!

Thank you,

Michael Lambert
