

PLEASE PRAY FOR THE LÓPEZ FAMILY

Nov/Dec 2024

Letter of prayer of November and December

God bless you, beloved Pastor and church, hoping that you are very well in the Lord. Thank you much for always praying for your servants and for the financial support that you always send. May the Lord keep blessing you and prospering you in your lives as well in your ministries.

The Lord has been good with your servants. In these two months, the Lord has been glorified with souls saved. In these towns, to see a soul saved is a true victory. It is a victory due to how strong and grounded these people are with their traditions. We see frequently the rejection toward Christ and the Bible. However in the work of the Lord there is always fruit. We give thanks to God for the souls that have been saved. In the middle of everything, the Lord keeps having mercy. Such is the case of **Gustavo Loredo**, a cousin of your servant. In the past, I had shared with him about the salvation of his soul. Finally, he decided to give his life to Christ. Sometimes, we sow and in another times we reap. The Word of God has been sowed into the heart of Gustavo and the moment of giving fruit came. We traveled for Christmas to the mountains of Queretaro, where the Lord let us preach the Word of God. Everywhere we go, we always want to give the Word of God. Some are saved. Others hear and will no excuse before the Lord. In this occasion, 5 people decided to give their life to Christ. Keep praying for your servants and the work here in the town of **Ezequiel Montes** so the Lord can keep providing and extending our territory so souls can be saved and even faithful members to the Lord.

We started the new year with new goals and new plans! May the Lord keep opening doors to preach the Gospel and use us in a special way here in Ezequiel Montes and surrounding places.

Thank you, beloved church, for your love for missions in giving to the work of God. Everything will be for the souls saved and we can use well the time in this year that we have before us.

A Strong Hug, God bless you.

In Christ,

Your servants, the Lopez family
