

PLEASE PRAY FOR THE LÓPEZ FAMILY

MISSIONARIES TO LANDA, QUERETARO, MEXICO

January and February 2019

God bless you, beloved pastor and church. We want to thank you for your faithful support and prayers which is what sustain us in the ministry.

God has been very good with us in these two months. We are going out soul winning on Tuesdays, Thursdays and Saturdays. God keep working in the people of Queretaro.

We want to mention about Fabian, a young man of 23 years old, who suffered an accident and was over a year in bed. The young man couldn't walk and doesn't speak but can hear and can understand some. We have spoken to him about his condition of his soul but so far he hasn't made a decision. I ask that you pray for his health so the Lord can raise him up and also for the salvation of his family.

We also were able to help with certain families with needs of food among them, Mr. Macedonio. A man that is not well with his health because a lightning bolt fell close by him and affected his body and mental capacities. We were able to be a blessing with some food and the greater blessing was when we gave him the Gospel. Mr. Macedonio and also his friend Eucevio who was visiting him that day, both accepted the Lord Jesus as his Saviour. We give glory to God for this.

Another great blessing for us was the coming of my son. He was born on February 15. Our first boy whom we put by the name of Jeremiah. My wife gave birth and thanks to God everything is going well with my wife and my son. Keep praying for the Lopez family so the Lord can keep opening door to preach the Gospel and God can keep working in the Queretaro people. The time here hasn't been easy since we came to Mexico. First, fixing immigration papers of my wife. Later the doctor's appointments with my wife which she cannot speak Spanish yet but in the middle of all, God has been with us and we have been able to preach the Gospel here in the house where we live and in every opportunity that we have. Our mission is to keep winning souls for Christ here in Queretaro. Also we received an email from Pastor Joseph with which we worked with him in Kenya. He greeted us and let us know that the people there keep coming to church. We rejoice in that knowing that the work in the Lord is not in vain. Pray for the brethren there that there is a need so they can put a roof in the church building.

From my family and your servant, we give thanks for being part of our ministry. May God bless you abundantly like He has done.

Sincerely your missionaries,
Lopez family, Serving the Lord in Landa, Queretaro, Mexico
