Pastor and Church:

It is a privilege to address you as a church that loves Christ and gives for His work. We give always thanks to God for having found grace before Him and before you. We believe firmly that your prayers to our good God is in favor of us so the work can keep on and souls can keep being saved.

We keep on in the ministry that we have received of God our Saviour. To Him be the glory and honor because only by His grace we have maintain firm in His work. We maintain ourselves active to the command that Christ left that the believer preach the blessed Gospel of Jesus our Saviour.

During this year I had the privilege of teaching a small school of girls the Wonders of our good God, His great love for humanity, the books of the Bible, characters that love God and those that dishonor His wonderful name. There was much to teach to these children. In the last class, I met with all the teachers, giving testimony of God's love. We prayed for them and the doors were opened for 2020.

Some days ago in a class of grade school, a young girl of 13 years old, decided to take away her life. That is sad! Her parents are in the United States. They have lived with her grandparents. We had some classes specifically about the great

love of God for humanity. The Bible teaches us about the love of God, the sin of our heart, punishment for our sin, the only Saviour that we have as sinners and the decision that has to be taken to be right with God. It was material provided from our mother church. After sharing this wonderful message to the girls, giving an invitation making sure that the message of God was well understood of which this girl had raised her hand to receive Christ. Only God can save a sinner and take them to Heaven through Christ. I am sure that she now is in this beautiful place.

Please I ask your prayers for our ministry. Like we all know by the Bible that Satan is like a roaring lion looking who he can devour. We don't like to be his prey. Your prayers are very important for our lives. For my family, my children are growing and they are not perfect. We have had some struggles and God has been good with us. Pray for our financial support. Our needs increase each day.

Brethren, thanks for your offerings. Our good God supply your needs each day. We pray to God for you and keep on in His work. We love you in God's love.

Your servants in Christ, Perez Matias family
