

May 2024

Dear Friends and Prayer Partners,

I hope everyone is doing well and that they find solace in God's assurances that nothing is beyond His control and knowledge. We may be confident that He already has a solution if He permits something to come our way. I sincerely hope that the thrill and inspiration of serving on the mission field will uplift your soul and give you the courage to proclaim the gospel no matter what. I've added the ministry's update and needs here in the Philippines.

We had a wonderful prayer revival a few weeks ago, and we are thankful for Ptr. Fain Morrison and Greg Little of Victory Baptist Church in SC. God touched and saved a great number of individuals. The Lord has also made room for a few extra Bible studies and a jail ministry. It is a blessing to see these people come to Christ and find hope through God's Holy word.

We are planning a two-day medical mission and evangelism for the poor on June 20-21 in our Church. Missionary doctors will be providing free check-ups and reading glasses. To prepare meals for the medical team and assistance throughout their stay, we need to raise at least \$500. Kindly pray and consider participating in this mission.

Please keep praying for the small plot of land for the Church parking area. A man disrespectfully kept blasting his horn during Sunday service to move a church member's tricycle out of his way. There is undoubtedly another way to leave his property, but since we paved the small road going to the church, he can do it with ease. I pray for this man that God would save his soul. Pictures of the land for which we are praying are also attached. The value of the lot has recently increased, and we are praying either one. The lot in front of the church costs (\$26,400) and can hold at least 6-8 cars, while the lot next to the church costs (\$42, 000) and has a semi-finished two-story house that can also be turned into a mission house.

I'm also seeking for additional ministry partners to invest and support the Lord's work here. Due to our busy schedule working for the Lord my monthly petrol budget has increased. Please also pray for a few more people to work alongside me, for there are plenty of harvests, but the laborers are few. Please also pray for my son's monthly therapy cost \$200. God willing, I pray that you join us as a partner, financially or through prayer. Thank you for your love and support into the Lord's work. God bless. – [Bro. Howard Miller and Family](#)
