Dear Brethren,

March 2019

Greetings in the name of our Lord and Saviour Jesus Christ! What a blessing to serve our Saviour! I would like to thank each and every one for your support and your prayers. We truly could not be here without you!

I celebrated my 56th birthday this past month. Some of our church folks gave me a surprise birthday party by taking me out to supper at a very awesome steak house, showered me with gifts. What a blessing! God has been so very good to me.

We finished up the classes on How to Study the King James Bible. Now we have begun classes on Baptist Distinctives. Everyone is very interested in why we call ourselves Baptist and why we believe what we believe. That too has been a great success. People have told me they have never considered why they call themselves Baptist. Did not know it is important to know what we believe and why we believe it. Please continue to pray that God will touch the hearts of those who hear and instill a sense of urgency and stronger zeal to reach the lost here with the Gospel. What a blessing to watch people learn things and have a desire to tell others. It is truly amazing to watch God work in people's lives.

Please continue to pray for us as we continue to "work till Jesus comes". If ever there is a time we can be a blessing, don't hesitate to call. If you come to town, stop by and visit.

In His Service

Dr. James Mills
