MISIONEROS EN COLOMBIA

ROM. 10: 15 “¿Y cómo predicarán si no fueren enviados? Como está escrito ¡Cuán hermosos son los pies de los que anuncian la paz, de los que anuncian buenas nuevas!

August 2024

Dear Pastor and Churches:

Beloved brethren, I greet you in the name of Jesus Christ. It is a pleasure to address you with great joy, for the opportunity that the Lord gives me to serve Him. Thank God for the privilege that He has given us throughout these years and His faithfulness, and for your prayers, financial support and the sacrifice of each brother and church that have a part for us in our ministry in Colombia.

Church Work:

We keep advancing in the evangelism and the teaching of the Word of God every week. We have an extension of Sunday School each Saturday in a multifamily named Zafiro, with the purpose of later going to their homes, if God permits. Have contact with their parents.

I have taken the labor of Monday through Friday, to go and evangelize in 3 colleges and other areas like the parks, through a model called “The 4 doors that God wants you to open.” Also encourage the brethren through a thunder discipleship, which is away also to take followship to the new brethren and Bible motivations.

This month of August, it was realize an eye medical mission trip of a group of brethren that came from the United States to support an American missionary in Bucaramanga. We went to support them in soul winning. More than 1000 people went of different municipalities around and then we send a list of following to different churches. Also we had list of more than 100 people that we have to following them after.

About the Family:

My wife and I am well. Our children also are well in Panama. Our son Jacob Morales and family are in Metapan, El Salvador. He is visiting churches in various countries in Central America expounding his ministry of which God has called him.

Prayer Requests:

1. *For the country of Colombia, so the Lord can open doors and add more workers.*
2. *For health strength and grace of God in our lives.*
3. *For care and protection of our family in Panama.*

Thanks, appreciated brethren and church, for taking us in your prayers, sacrifice and faithfulness in giving your offerings for us to keep representing you in this country that is very needful of the Gospel.

God bless you,

Your servant in Christ,
Jose y Luz Morales
