Missionaries to Columbia, South America

Pastor Jose, Luz, and Raul

March 2020

Appreciated Pastor and Churches:

A warm greeting from Bucaramanga, Colombia hoping that the grace of God be over your life, family and ministry, grateful always for your financial support and your faithful intercession to God in favor of your servants.

The world wide pandemic of Coronavirus has affected our lives and churches. The Lord is using this strong challenge for opening doors to share the good news of Jesus Christ with all the world. While we are operating in a different and new way in these uncertain times, we are in continue communication with one to another, communicating with our brethren and encouraging them. God is using this world wide pandemic to meet, to unite more and to tune our focus like never before. We thank God for the blessing of technology due that the circumstances have stopped us to meet in person.

**The work of the church:**

In the month of **February**, we started a new route of evangelism to a very humble community. We have been in great acceptance there. The people have hunger for the Gospel.

**Theological Institute:**

This year we continue with the Theological Institute. In these past years we have had the help of teachers from Panama. They don't come here but give semi-presence classes (not recorded) directly from Messenger. If you want to be part in this ministry, I ask you to announce in this email your desire to see how you help us with this, it can be you or a teacher that you recommend.

**Prayer requests:**

*For our financial stability, property for the church, construction of the temple, of our cares in this foreign country, our health, spiritual growth of the brethren and for a fence of protection toward us, family and brethren of the faith of this virus that is attacking the humanity, and provision for us and brethren.*

Finally, in times like these, we need the hand of God over us like never before. The fear of the unknown is always there and the desperation increases in all the planet. We are praying that the churches raise up with the decision to trust that God has in mind something greater in the middle of us. Our gratitude, to each one of you that pray for my family and for putting in your heart the burden of the Gospel in Colombia.

Your servant in Christ  
Jose Morales and family
