Pastor Jose, Luz, and Raul

July 2023

Appreciated Pastor and Churches:

Beloved Brethren, I greet you in the love of Jesus Christ. I want to thank our God for the privilege that has been given us through these years and His faithfulness and also gratefulness to all those churches that are with us.

About the work: We continue with evangelism in the houses and neighborhoods, many weeks without stopping, the discipleship to new families, the Bible studies, and taking visits to the church each week.

The month of July: We had the visit of our daughter with her family. They were of great blessing to have them and share time with the grandkids as well they were a help in the work.

We are with the program called "*La Gran Semilla.*" It consists in working with new families in their homes. It is a multiple work like: singing, discipleship, evangelism, fellowship, and a simple food bag of three months while they receive the program. It is food in a bag from a foundation called *Mana*.

About the family: We are proud and very grateful to our God for our children. They are serving the Lord in Panama. My oldest daughter **Cesia**, celebrated her 10 years of marriage and has 2 wonderful children (**Nathan** of 9 and **Ruth** of 5 years old) and both serve in the church with teen classes. Our second son, **Jacob**, also with 10 years of being married has 2 wonderful children (**Jocabed** of 8 years old and **Obed** of 10 years old). He has a help ministry and supports churches in winning souls, guitar classes, prepare ushers, and Sunday School teachers. My youngest son **Raul**, that was with us in Colombia for 8 years, still needs to finish his seminary classes. He will be getting married on September 1st with Sister **Osiris**, who serves also in the ministry and studies in the seminary. We feel satisfied by the grace of God that our three children have done right, have formed a proper family loving God and serving Him. I thank you for your prayers for all of them.

**Prayer Requests:**

- 1. The salvation of souls*
- 2. Own property for the church*
- 3. Family health*
- 4. Power from Up High to keep doing the work of God.*
- 5. Sunday School teacher*

We are very grateful with each one of you that pray for us and put in your heart the burden for the Gospel in Colombia and sacrifice for us so we can keep representing you in this country. You are a very important part to the people that are being saved here.

God bless you.

Your servant in Christ,  
Jose Morales and wife
