Your missionaries in Suchitoto, El Salvador, greet you and the grace of our Lord Jesus Christ be always with you, beloved Brethren.

We are always grateful with you, Brethren, for supporting us with your prayers and also financially. Thank you much.

I want to thank God for the work that He is doing here in Suchitoto. We are taking the Gospel house by house. We are seeing people saved constantly. We are looking and by the grace of God we have had visitors.

In this month, we are celebrating Family month. By the grace of God, we have seen motivated families. Brethren, I ask your prayers for some families that are of low resources, so God can provide for their needs. We are happy as a church that we have taken as a missionary, **Pastor Barca Ortis** (Mexican), missionary in Sonsacate de Sonsonate, El Salvador.

Beloved Brethren, for 5 years we have been traveling and we were part of a ministry to 12 kilometers of our church. But now, the Pastor abandoned the ministry looking for the American dream and we are retaking that ministry. I ask your prayers, if it is God's will to retake it long term so God can supply for travel in each week to this place.

For years, we have been praying for a vehicle for our church and I know that at His time, God will give one for our routes. This year in my projects is to learn to drive but I haven't had open doors so we can pay a driving school.

Brethren, some years ago, you helped us financially for my denture. I have a month and it already broke one my tooth where it was fastened to one my partial denture. My urgent requests is that God provide \$280 dollars to make my new denture. In spite, we are still doing the work commended but I have difficulty to eat and speak.

Thank you much for your prayers and for those Brethren that in some way are being faithful in being part of giving for the offering received monthly. We are highly grateful.
