Dear Prayer Warriors,

I returned from the Philippines on May 10th. I was accompanied by four pastors and three layman. We saw over 1,000 Filipinos make a profession of faith. We were able to preach at a prison again and around 600 responded to accept Jesus as their savior. The inmates were packed into three layers of cells stacked one on another. I felt compassion like I had never felt for prisoners. Jesus said "I was in prison and you came unto me." Pray for these new converts.

I wrote in my last newsletter about preaching in a large high school where hundreds got saved. The principal gave us permission to preach as often as we wanted. When we preached there a few weeks ago, the principal and one of the teachers got saved. The school gave us a piece of land on campus to build a student center where students could visit daily. One of the pastors agreed to provide \$7,000.00 for the construction of this building.

We preached at dozens of the churches that I am associated with. Many people at these churches accepted the Lord. Some of these churches needed church buildings. Some of the American pastors in our group agreed to build three church buildings at a cost of \$7,000.00 each. The pastors purchased a tricycle and beds for the family that we build a new house for.

God was so good to us on this trip. Pray that God will continue to bless this ministry.
