Philippians 4:14

Dear brethren and co-laborers:

God bless you in a great way, desiring that when you read this report that the hand and care of our good God be with each one of you.

#### **Mission Conference and Visitation of Churches:**

During our stay in Mexico, we have been busy visiting churches, preaching in mission conference and in others presenting our work realized 20 years by the grace of God. In some chases we have been in churches that we hadn't been with them for over 10 years and some churches that we hadn't visited before. I had the privilege to preach in a mission conference in Iglesia Biblica Bautista of Caguas in Puerto Rico and see their faith promise increase in an incredible way. There I had the privilege to guide 4 people to Christ by the grace of God. We have visited churches in Aguascalientes, Zacatecas y Nayarit. In every state, I have had the opportunity to guide to Christ more than 40 people to Christ. In this time, we have had the blessing to see churches that had supported us for years and also to know others that will start being part of our ministry. God is good and faithful!!

God provided in an incredible way so we can realize this trip in the first days of March with my wife and Becky our youngest daughter. Part of the purpose was to travel so we can actualize the documents to conserve our residence and also in prayer to see where God will let us start another church. We believe that God has already confirmed the place where we will start if God permits. As well we visited the Iglesia Bautista El Nuevo Pacto. Thanks to God the church there has been there for 15 years. We saw the brethren faithful, marching on and it was a blessing. Now this beloved church is what God is using to introduce some Mexican families to come as missionaries to Colombia.

WE have had ask your prayers for a new treatment of malaria for our daughter Ruthy. She is for certain much incredible positive spirit. This treatment here in Mexico for each bottle hs a cost of almost 30,000 pesos and it is difficult to get and almost impossible. Our God has shown His goodness trying our faith and our dependence in Him and our God has permitted to experience first hand His care and provision for us. Thanks to God our brother and friend Juan Robles and family which are missionaries in Panama, contacted us with a doctor that makes medical brigades, has prescribed the prescription of Mexico to buy it in United States because it is a controlled medication. Thanks to God the Lord has provided for the buying of one and Pastor Rodrigo Garcia and his appreciated wife has decided to make an offering in part for the treatment needed for my daughter. Thanks to God for them. Also for each one of you that are praying and supporting our family and ministry. Thanks to God for you for participating with us in our tribulation. Each prayer, each call, message, love offering and your monthly support has been a blessing for our lives. We share that the doctors has spoken of a possible stage of a final treatment for Ruth. The doctors are waiting this treatment and make other exams in California and if there is no more active bacteria (that is our prayer) during a final experimental treatment that have used other patients of Lyme that have destroyed totally the sickness, if that with the favor of God be, it will help us to decide the time in our return to Colombia. Help us in prayer for this, please.

One more time thanks for giving and sharing. May God bless your sacrifices of love that you make in favor of us. May God bless you in a special way.

#### **Prayer requests:**

1. Provision of God for the next exams. (\$5,000 dollars)
2. Care of our God in each trip
