## MARCH/APRIL 2025 REPORT

Greetings, dear pastor and church!

We are thankful for your continual support of our ministry and family. We hope you are doing well, we remember you in our prayers.

### GROWTH OF THE BRETHREN:

We thank God for allowing us to witness the spiritual growth of the brethren who are gathering in the church. We have prayed for them, discipled them, and instructed them in the Word of God, and as a result, we have seen fruit: some have become church members and are now involved in service and soulwinning; others have made the decision to be baptized; and some are participating in Scripture memorization as part of our Wednesday Bible study.

There are still some brethren who need to be discipled, but they have shown great interest in becoming part of the church and learning the biblical doctrines we believe. Sunday school and services, along with midweek gatherings, have been a great blessing, as a variety of spiritually nourishing topics have been preached and taught.

We have also had different fellowship activities that encourage them to get involved and help them get to know one another better.

### ACTIVITIES:

#### Soulwinning:

We continue faithfully with our soulwinning program. We have seen people saved, and most of them have visited the church. These have been times when people have been receptive to the message of salvation.

We've also had the opportunity to go to parks and share the gospel with both children and adults.

#### Ladies' Activity:

A good group of ladies from the church gathered for fellowship and biblical teaching. They were exhorted, and several decisions were made.

#### Baptisms:

We had been praying for the decision of a young lady who has been attending for over a year, and it was a blessing when she decided to take the step of obedience through baptism.

We ask for your continued prayers for us and the church.  
God bless you!
