

April 2019

Mark 16:15

Dear pastors and co-laborers in the ministry,

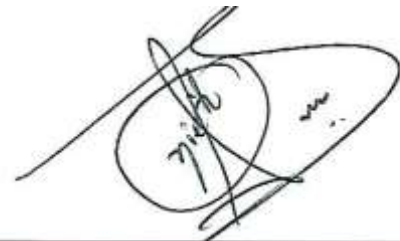

These beginning months of the year have been of great blessing and challenges in my ministry. Like I had mentioned in my last report, I traveled to Spain. I was able to visit Missionaries Alberto and Paqui Puente in the province of Andalusia. We visited different towns and cities and we had the opportunity to win souls. Pablo, Susana, Rafael and others are some Spanish people that we were able to win for Christ. The work and the ministry of Brother Alberto Puente and Sister Paqui Puente is of great motivation for me personally, my admiration and respect for them and the love that they have for the work of the Lord. I preached in places like Puerto de Rota as well in the town of Lebrija. Being in Spain, I travel to Northern part of Africa, a Muslim country that we couldn't give one single tract. There is a great need there.

It caused affliction because we enjoy of so much liberty here in the USA and in many other countries and we are not doing what we need to do. Spain is a country of much need. Pray so God can keep sending workers. When I got to the airport of Estocolmo, Switzerland before I arrived to the USA, I was able to witness as well as in Holland and Denmark. The spiritual coldness is what is lived in these countries separate from their crude winters. There is a great need to keep preaching the Gospel.

Also during **January** I participated in the mission conference of Pastor Ochoa with the Iglesia Bautista Libertad in Myrtle Beach, S.C. and in February with Pastor Jimenez in their mission conference in Marion, N.C, where they celebrated their tenth anniversary. We had the attendance of more than 20 pastors and missionaries. During the conference, there were decisions and baptisms.

In the month of **February**, also we supported the church planter, Pastor Maradiaga, in the city of Houston with a intense program of weekly discipleship with an average attendance of 25 adults. As well, we worked together with other churches in the area like in Cleveland, Texas and Conroe, Texas. I ask you to keep holding the rope, there is much work to be done. Thanks for your support and investment in this ministry. Some days ago, I was walking inside Walmart. I was able to guide Angel to Christ here in Houston. I am mediating much about Europe as well in all the world.

Truly the harvest is plenteous but the laborers few. As well in the stores and hospitals, I was able to guide 6 souls to Christ. Luke 1:37. To God be the glory!!
