There are moments in the ministry that we desire to give up for different circumstances, but when we depend upon our Saviour Jesus Christ, we prove that being in the will of God is acceptable for Him. All that discouragement that we experience turns in Glory for the Lord.

It is a privilege to take time to greet you and share with you some of the events that God has let us see during these past months in the ministry.

In the month of January of the present year we had the pleasurable visit of the brethren of the mission agency FBHM. Thanks to God that they were of great edification to both churches that I am ministering. The children were given some notebooks and they gave me a precious bicycle.

Thanks to God two brethren united their lives in holy matrimony. I ask your prayers for them - they are the Calix Rodriguez family.

In the month of March we were going to have a celebration service for our 8th anniversary but we had to cancel it because that day Brother Ezequiel Rivera passed away. I preached in the funeral to present the Gospel to the people that attended.

We are glad that God is providing by using the brethren of the church to do more pews for the church. We already have made four and we are working for other two. It is wonderful to see the provision of our Lord Jesus Christ.

In these days we were with the pastors of the area supporting Iglesia Bautista Victoria de Jesus with a medical brigade. Many people heard the Gospel.

To our children, God provided their music instruments and they keep on with their classes. Some days ago, they played the introduction of the hymn - Amazing Grace. Together with my beloved wife, we give thanks to God for our 14th wedding anniversary. We have seen the wonders of our Saviour in our marriage as well difficult and happy moments.

Without more, we leave you thanking you for being part of our ministry.
