Myself and Brother Joe Hendricks are scheduled to fly out of Charlotte to the island of Dominican Republic on Sat., Dec. 10<sup>th</sup> and stay until Dec. 18<sup>th</sup>. This will be our 4<sup>th</sup> trip there in the last year.

We made our first trip to Dominican last December in 2021. On that trip we met on a piece of property for some evangelistic services under a stretched-out tarp, in the mud. Then we were able to go back in April of 2022 and God provided funds to buy a lot, right beside where we met for a new church building! Then we went back in August of 2022 to help start the construction of the new church building on that lot and while there, God also provided the funds to purchase the lot right beside the new church to be used for parking, Sunday School classes and activities for the youth! God is certainly working in Dominican Republic to get the Gospel to the people there!

We are planning to have a special dedication service on this property while there, dedicating this new church building and the lot beside the church to the Lord to be used for His Glory and Honor! Please pray for pastor David Jean as the local pastor there, that God would continue to bless the work as they grow in His Grace and Knowledge!

Also, on our trip in April to Dominican, we were able to set up 5 Bible Training Center schools for pastors there, to help the local pastors have intensive training in God’s Word and the administration of the church. Last August we took with us on our trip there 55 BTCP books for the training centers for pastors and on this trip, we are going to try to take with us 116 BTCP books with us in our suitcases. We will also be visiting most of these BTCP schools while there to encourage the students and the teachers to continue in the work there!

Also, by God’s Grace we will do some evangelistic services at night trying to reach the people with the glorious Gospel of Christ! We will be working with our FBHM missionary from Haiti, pastor Iliobert Destine, who will travel across the border of Haiti to work with us and we will also be working with pastor David Jean. They will do most of our interpreting for us as we preach and teach. The main dialect there is Spanish but all the Haitians there that we work with, speak Haitian Creole. Pastor Destine’ is a great blessing to work with and if your church is interested in supporting a missionary in Haiti, he comes highly recommended from me, Brother Joe Hendricks and Fundamental Baptist Home Missions!

On this trip we were able to use the miles we had built up with Delta Airlines for our flight there and back, we just had to pay the taxes. But we will have to pay around \$190 extra for luggage to carry the books. Our total trip expenses should be around \$1200 with some extra to give to the local pastors. Also, we need around \$8500 to completely finish the construction of the first floor of the new church. If the Church or any individual wants to help in any way with this mission trip expenses, or church building, it would be very much appreciated! What we desire even more than an offering, is your prayers!

Upon request, I would be glad to come by the church and share about this special mission trip. Please just contact me for a date!

Thank you so much for all the help you have given to us in the past in our mission work! It’s such a Joy to know the Lord and serve Him in these last days we are living!
