Thank you so much for your prayers and monetary support for our recent mission trip to Ghana, West Africa. It really went well! It was a blessing to have with us on this trip Brother Joe Hendricks, our Caribbean Islands FBHM Director! Our first main stop in Ghana was to visit Pastor Emmanuel Ameyaw’s Christian School –“Sower’s Seed Academy” with over 200 students. Bro. Joe preached in a Chapel service there! The kids are very attentive and hungry for the Gospel! We then traveled around 9 hours north to a village called Wenchi. Here is where we have a Bible Training Center School for preachers and leaders and about an hour and half SW of there is where had our first of 3 Bible Believers Conference’s in a village called Hani at Samaritan’s Baptist Church. (a church pastor Emmanuel planted)

The Conference went really well at Hani with around 120 in attendance including the children. We were there for 3 days and taught on Stewardship, Faith and Spiritual Growth. The people were blessed with God’s Word being taught and really got a lot of help! We also had our 2nd Graduation service from our Bible Training Center while there, that we helped get established in 2014. We had 5 students who graduated and all 5 of these men will be leading and pastoring churches there in Ghana!

On our last day there in Hani, Brother Joe preached our Easter service and I helped with instructions from God’s Word on having the Lord’s Supper. Many participated for the very first time! While we were there in that area, we saw several people get saved and was able to hand out several Bibles and New Testaments to the village people we were begging for a copy of God’s Word! Over 56 souls accepted Christ on this trip!

We then traveled for another 10 hours plus to the far NE of the country to a place called Bunkpurgu. Right below there we had our 2nd Bible Believer’s Conference at Gloryland Baptist Church. We were there for a couple days and again had a great time there with the people soaking up the Word of God! We were also able to pass out some more Bibles while there in their local dialect. This is the Dry season for the people there in the North and they are all praying for rain so they can plant their crops. Many of the people there are down to one meal a day because of lack of food. The temperature was in excess of 120 degrees Fahrenheit at times while we there in the North! Very hot!!!

We then traveled around 6 more hours to a place called Bolgatanga in the far North Central part of Ghana. We were there for 2 days and had our 3rd Bible Believers Conference with a local pastor there at Calvary Baptist church of Bolgatanga. We had a great Conference there also and the pastor was so thankful for God allowing us to come to his place to help his people. We then traveled back towards Accra!

There is such a great need for more Bible Believing Baptist churches in the North! My heart was really broken for the people there. The fields there are white and ready to harvest! Please pray that God would continue to raise up more preachers to spread the Gospel there and plant new churches! It’s such a joy to serve the Lord and have just a small part in seeing the ‘Great Commission’ fulfilled in these last days! Thank you again for your support for this ministry in Africa! “Thanks, be unto God for his Unspeakable Gift”.

God Bless
Brother Keith Phelps - Pastor of Maple Grove Baptist Church -FBHM African Director
