Just wanted to write and thank you so much for your prayers and monetary support for our recent mission trip to Ghana, West Africa. It really went well! It was a blessing to have with us on this trip, Brother Joe Hendricks! Bro. Joe really struggled the first few days with a back problem, but God really helped him & we will be able to move North to start our first Bible Believers Conference. We traveled around 9 hrs. north from Accra, to a village called Wenchi. Here is where we have a Bible Training Center School for preachers & leaders. In a village near Wenchi called Koase, we had our first Bible Believers Conference on the property of Koase Senior High School. This school normally has around 1000 students. Since the school was on Easter holiday break, we were allowed to use their compound for 4 days. The Conference went really well at Koase with around 200 in attendance including the children. During the Conference we taught on Stewardship, Faith and Spiritual Growth. The people were blessed with God's Word being taught & really got a lot of help! On our last day there in Koase, Bro. Joe preached our Easter service & I helped with instructions from God's Word on having the Lord's Supper. Many participated for the very first time! While we were there in that area, we saw several people saved & was able to hand out several Bibles to the village people!

We then traveled for another 8 hrs. + to the far NE of the country to a town called Bolgatanga. West of Bolgatanga, in a village called Bono, we had our 2nd Conference on Bono School grounds. We were there for 3 days & again had a great time there with the people soaking up the Word of God! We were also able to pass out more Bibles while there to all who attended. We started with around 100 in attendance, but on the last day the attendance grew to more than 250! Many of these adults & children made a profession of faith! This is the Dry season for the people there in the North & they are all praying for rain so they can plant their crops. Many of the people there are down to one meal a day because of lack of food. After this Conference, we then traveled back towards Accra, getting to preach once more at a local village church along the way!

Along the highway going & coming, there are many police road checks. On many of these 'roads checks' we were able to give freely, these police men & women a copy of God's Holy Word! Bro. Emmanuel is known there as the "Bible Man"! There is such a great need for more Bible Believing Baptist churches in the North! My heart was really broken for the people there. The fields there are white & ready to harvest! Please pray that God would continue to raise up more preachers to spread the Gospel there & plant new churches! It's such a joy to serve the Lord & have just a small part in seeing the "Great Commission" fulfilled in these last days!

Thank you again for your support for this ministry in Africa!  
God Bless Brother Keith Phelps - Pastor of Maple Grove Baptist Church -FBHM African Director
