Thank you so much for your prayers and support for our recent mission trip to Ghana and Togo, West Africa. It really went well! It was a blessing to have with us on this trip our main FBHM Director, Chip Stowe! Our first main stop in Ghana was to visit one of the BTCP (Bible Training Center for Pastors) schools in the village of Wenchi. The school is going well and by God’s Grace, will have a graduation service this April 2020 for the students! We then traveled to Gloryland Baptist church in the far NE region of Ghana. We didn’t reach the church until almost 1:30 am, but the people were still there at the church waiting on us to worship with them! Praise God! We had a great service until about 2:30 am and several adults and children came forward to accept Christ as their Saviour! Hallelujah! Then a few days after we left the church, Brother Joe Hendricks contacted me from US and said a church wants to help with a well in a village that has no water! It just so happens that the people at this village has been praying a long time for a well! God has answered their prayers! Gloryland Baptist church has now got a community well with clean fresh in front of their church! Praise God!

We then traveled to three more churches that pastor Emmanuel Ameyaw has established throughout the country in various places and had services with the people! The people were really encouraged in God’s Word and many more souls were saved! We also had the privilege to give out many Bibles and New Testaments in many places where they have never had a copy of God’s Word before!

We then traveled to Togo to work with our main FBHM missionary there, MawuliTogbi-Wonyo. We had the privilege to preach and teach in several churches there in the southern and the northern region of the country. We also visited two of the four BTCP Bible Institutes for preachers and church leaders we helped get established last August. We encouraged the students and the instructors. We also had the privilege to do a Saturday morning Pastors Conference with around 12 local pastors to encourage them in the faith!

One of the highlights of the whole trip was to participate in a Dedication Service there in Togo in a village called Kolo, dedicating a newly dug village well to the Lord! What a great blessing to see the smiles on their faces and joy in the hearts that God has provided them good clean fresh water! Their previous supply of water was a small muddy creek that only has water in the rainy season! They now have good clean water all year round! Also, there will be a new Baptist church in their village coming soon! God is so Good!

It’s such a joy to serve the Lord and have just a small part in seeing the ‘Great Commission’ fulfilled in these last days! Thank you again for your support for this ministry in Africa! “Thanks, be unto God for his Unspeakable Gift”.

God Bless,

Bro. Keith Phelps
