Greetings in the Precious name of Jesus our Redeemer!

To all the churches and individuals who support us in your prayers and monetary support, I am so thankful! Because of your support and prayers, God is allowing Myself and Brother Joe Hendricks and a pastor from Concord NC to fly out of Charlotte to the island of the Dominican Republic on Wednesday, September 4th, 2024. We will be working with our FBHM Haitian missionary there, Pastor David Jean.

We have made several trips to the Dominican Republic since December of 2021. On this trip we will be preaching at a church conference, some evangelism services and visiting some other churches.

Also, we will be visiting some Bible Training Center schools for pastors that we help set up there, to have intensive training in God's Word and the administration of the church. So, we are not only "sowing the seed" while we are there, but we are also teaching and training them "how to sow seeds"! God willing, we are going to try to take with us around 300 BTCP books for these training schools in our suitcases when we go. The cost of shipping these books is very expensive! We will visit these BTCP schools as their BTCP USA Director while there, to encourage the students and the teachers to continue in the work there!

On this trip we will be flying with American Airlines for our flight there and back. The Lord has already provided for our plane ticket, but we each will have to pay \$40 extra for a second luggage to carry the books. Our total trip expenses with the Hotel cost, food, gas and car rental should be around \$1100 with some extra to give to the local pastors. We have already paid around \$1585 for the BTCP books that we are bringing in our luggage. If the Church or any individual wants to help in any way with this mission trip expenses, it would be very much appreciated! What we desire even more than an offering, is your prayers! Upon request, I would be glad to come by the church and share about this special mission trip. Please just contact me for a date! Thank you so much for all the help you have given to us in the past in our mission work! It's such a Joy to know the Lord and serve Him in these last days we are living!
