

FAMILIA RIVERA RAMIREZ MISIONEROS A LAS ISLAS DE CHILE

Iglesia Envidadora:
Iglesia Bíblica Bautista de San Luis Potosí, México
Mi Pastor: *Luis Ramos Cisneros*

January and February 2019

To my brethren and pastors:

I greet you one more time from the end of the world, hoping that you are enjoying the many blessings of our Great God and Saviour Jesus Christ.

I thank God for all of you who with love and faithfulness since we have been sent as missionaries in this country, have supported and sustained us financially, in addition of your most valuable prayers to a God for us.

We rejoice enormously with the support of the missionary group that were among us from San Luis Potosí who made a work of much blessing for God first of all and for the church of Puerto Montt and Alerce.

Many souls were won for Christ. Our brethren from the church and the missionary group participated knocking doors in four different routes giving out 1140 Gospels, 680 people were saved, some baptisms and 470 contacts made possible of people interested in attending our churches.

In the trip that we made to the island of Chiloe, there were 120 people saved. That island has 220km of length by 90km wide and about 500,000 habitants in five main cities. There is no Independent Fundamental Baptist church there now.

It is very gratifying to see our church cooperative to assist and lodge our brethren of Mexico and offer them the best stay. We are very thankful with their support and greatly blessed to see the church filled with new people, many Haitians and from Venezuela among them.

Our commitment and work were increased to have three routes in three vulnerable areas where drugs and adultery abound. But the Lord has guide us to keep battling for these souls selecting bus captains and workers for them, visiting the established contacts, giving discipleship to some families and then praying for the people that were saved. Thanks to Hod that I spite having one vehicle of transportation for the church, the brethren with joy have supported to using their own to support this ministry. We are praying so God can provide two buses to continue with the routes. I ask your prayers for our needs. My plea is that the church advance and grow spiritually and in number and for more families and young people to come and more workers serving.
