Philippians 4:10

Beloved churches and co-laborers in Christ,

We give thanks to God for His cares with us in our trips that we have done through these last two months, February and March. Thanks for your prayers and support. God reward you. Thanks to God we keep on visiting new churches in our Mexico churches that have taken us as their ambassadors to the country of **Panama**. We keep on in our calling to return to the mission field.

Our plans is to go out this year 2024. We still cannot say with an exact date because we still don't count with the financial support. In spite that some churches has started to support us, still we don't count with the support to live in Panama, because we had lost a good percentage of our support. We are starting to recuperate part of what we have lost.

Appreciated pastors and churches, keep praying for us and the churches that supported us in the past, please reconsider doing it again as your missionaries so we can get to the field quicker.

The rest of March and all of April, we will be in mission conferences in *Morelos, San Luis Potosí* and *Monterrey*, as well in the family conference in our church in *San Luis Potosí*. I want to thank the churches that we have visited in the last weeks, ***Iglesia Bautista La Trinidad, Iglesia Bautista de Pachuca, Iglesia Bautista Corona de Vida, Iglesia Bíblica Bautista Antioquia, Iglesia Bautista El Calvario and Iglesia Bíblica Bautista de Rio Verde***. Thanks for your attention and support that you have given us. God reward you greatly to each one of you, pastors. Also we were able to be as a family in the first retreat of **ENLACE** of pastors and missionaries in **META** camp in *Morelia, Michoacán*. It was of much blessing to hear teachings of **Pastor Roy Velez, Jim Gardner and Juan Alvarez**.

I want to mention that we have plans to return to the mission field driving one more time, so we can take tracts, Bibles and extra luggage as well to visit churches on our way to Panama. It will be a long and costly trip. Taking a vehicle to Panama is very necessary because right now we don't count with nothing. We will start from zero in the new start of the new work. I ask your prayers and support and keep asking for financial support for the remodeling of the temple, where we will be in **Arraigan, West Panama**. I know that God will do great things one more time. We don't have a doubt.

Prayer Requests:

1. *For our health as a family*
2. *For the life of my children and their plans of God toward them*
3. *For our support to increase*
4. *For more churches to consider us*
5. *For salvation of souls in our time here in Mexico*
6. *For salvation of my brothers, Jose, Hector, Christian and my nephews*
7. *Recovery of the knee surgery of my father*
8. *For our trips and care on the road*
