Beloved Brethren:

May the All Mighty God shed His rich and abundant blessings over your lives, families and each one of your ministries that God has commended you. After this short but sincere greetings, I turn of the following inform:

We are doing what God has commended us of preaching the Gospel to each creature. Thanks to God for you that serve as good administrators in the mission agency to support in financial offerings to many missionaries in many countries of the world. Through this financial support many souls are being won for Christ and at the end what is done big or small, God will reward with abundant blessings. We keep on in the name of the Lord.
