Beloved in Christ:

Feb–March 2019

God bless each one of you that throughout the years have been faithful in prayer and helping us with the many needs that have been presented. The desire of our heart is that the grace of our Lord be greatly manifested in the life and ministry of each one of you. These are our requests before our God.

We give thanks to God for the beautiful blessing to help us be among the mountains. These last two months have been a little difficult because we have been traveling to Chilpancingo to consult a gynecologist because my wife is having problems with her womb to walk. The doctor said that she is in a bad state and needs surgery. Next April 20 she will have a general study for preparation. I ask your prayers for the protection of the health of my wife and provision for the expenses to come.

Thanks to God that in our going and coming in the trips we have had the blessing to witness to various people of which I ask your prayers so our good God can work in their lives.

Also I need of your prayers because the doctors have diagnosed me with diabetes and I am not sure what will happen next but we keep doing what God has called us to do.

I ask your prayers for the radio ministry that we have started so our good God can touch the hearts of the people that hear it and be converted to Christ and in the future we can reach more people through the radio media.

Yours in Christ,

Juan M Rosales and family
