Beloved in the Lord:

We want to thank each one of you that make it possible so we can have the necessities to continue with the efforts in being a blessing to people who truly don't know God. Many people know God in a superficial way and through religion.

In December, we had the opportunity to enter into 3 new towns, **Zapotitlan Tablas** and **Malinaltepec**, with a group of Brethren that come from *Mexico City*.

For many years, we have heard that these towns didn't want to hear the Gospel. In part, it is true, because there were some people that make everything possible so we wouldn't preach the Gospel, but God took care of us so we wouldn't be hurt. **We presented the message of salvation** and glory to God in Zapotitlan, we had an attendance of **120 people** and the majority of them took the decision of salvation. As well in the town of Malinaltepec, we had **80 people** present to whom we presented the Gospel quickly because at the same time, the religious people made an urgent meeting to run us out of the town. Immediately I made present in that meeting that they had to try to take as much time possible so the Brethren could finish giving the message. They were able to give it out. While they got permission from the authority to run us out, the Brethren finished giving out the prayer of salvation. Glory to God. As well, the majority of the people made the prayer of salvation there. Thanks to God we will see them in Heaven.

Keep praying for us so God can open doors so the medical group can come and see the blessing among the mountains, in the medical attention as well in presenting the Gospel.

We thank much the Brethren of different places who are willing to supply the needs presenting here in the mountains.

We keep, little by little, constructing the church building. We are making 4 new bathrooms and the fence of the new property. We thank you for your prayers for the provision of God so we can finish this part and then we can put the roof of the auditorium of which is medium size, 5x17=85 square meters.

God bless you, we love you.

Prayer requests:

1. *So God can let us be a blessing in the mountains*
2. *The provision of God to buy a Tsuru vehicle for the church routes. \$50,000 dollars*
3. *So God can provide to fix the Toyota vehicle T100. \$20,000 dollars*
