Salguero Family Missionaries in El Salvador

August 2020

Appreciated Pastor and Church.

It is a joy to greet you and is for us a privilege to be known all that God has let us do in this month of August. It has been a month of full activities in spite that we haven been meeting but always working with the church.

IN this month we celebrated in the church the month of the family in which we have been preaching and teaching family themes that will help each family about the Christian life and they can be better among husband and wife and among parents and children.

We have had in this month some sad circumstances because a brother that had been sick in this time God healed him of all his pain and took him to Heaven. We had a funeral with only 15 people and in the cemetery only 10 people could be there for 5 minutes but God had everything in control. Also a brother in his work received a bullet in his throat but thanks to God he is already at home and is recovering in spite that the doctors only had given him three days of life and told him that he wouldn't be able to speak. He is recovering little by little his speaking. To God be the glory!

We working in the temple putting ceramic and one day a person that was needing God and I spoke to him about Christ. He received Him in his heart with tears. Also we want to buy 100 chairs with a cost of \$25 dollars each one.

We keep preaching the precious Word of God that is the labor commended to us and to serve Him and be a blessing to the needy people.

Like always, we appreciated the financial support that is given but much more appreciate your prayers. God bless you.
