MISIONEROS EN PERÚ

Enero 1993

March:

The roof is on. The rain stopped us a few days but thanks to God, it is already on. What wonderful is the Lord, we asked for this roof and in each time, we saw the providence of God throughout. **\$2,500** was raised. While these things were going on, our biggest project is to keep reaching the Peru people that are lost, and keep proclaiming the Gospel, who let us. Visitors: Mr. Aquiles brought his relatives, Mrs. Ana Maria, her husband and children, Mrs. Maria Elena was brought in with another young person. They came because they received a **tract on their door**. **Mr. Oliver, his wife Julia and their two children** and also Jesus de Pedregal. Aimy, sister of a youth person of the church, had visited us and came again.

April:

Plaster, the details of the floor, the windows, cables, illumination, the details to plaster, paint, etc. Has been months of arduous work. The goal was to have it ready for our anniversary conference for the month of May. By the grace of God and all His provision, on Sunday 26, we had our first service in the new location. We saw God working in everything. Almost a year of the car accident in the location's roof and bringing us through all this challenge and the blessing. We have been waiting 31 years, but the time of the Lord is perfect and His way to realize it also. **From March through May, 59 people received Christ,**

Mr. Percy, Mayte, wife of Brother Katy Salas, also visited us.

31st Anniversary of the Iglesia Monte Hebron in Arequipa, Peru:

We celebrated from May 31 to June 2. The theme was **"Stay in Me."** This is the greatest lesson that has been for us, your servants. To stay in the same goals, plans and purposes for this church. It wouldn't be possible if we hadn't stayed in the Lord. We have taken every need to be the feet of the Lord, trusting in that He will supply. Nothing is ours. Everything is to honor Him. *The only way to keep on to be fruitful is to stay in Him.* 141 people attended in the last day of this conference and **2 received Christ.**

Thanks for your offerings and constant prayers for your servants, missionaries in Arequipa, Peru. We keep on growing in the work of the Lord.

Sincerely,
Manuel Sanchez and family
