Beloved Pastor and Church:

We greet you cordially from **Guatemala**, desiring again all blessing of our good God over your lives and ministries.

These past days, it was of great activity and blessing for us here in Guatemala. Thanks to God, we were able to celebrate Mother's Day in our three mission works. In May, the brethren showed their love uniting themselves to celebrate our birthday in a surprise way and also we had special services for the birthdays of the children, *Josseline, Loya and Fernando*. In these special services, it was a blessing to have invited people that heard the preaching of the *Word of God*.

Also we had the privilege to have the visit of our brother Ed Kennedy and a beautiful group of Brethren of their church.

IN these days, my daughter and I were very sick of a severe stomach infection but thanks to God after a week of being sick, we recovered. However, that didn't stop us from nothing, and thanks to the Lord, my wife didn't get sick. But in spite of the severe sickness, we kept winning souls, now in the area called "**The Cruz**" in the bottom part of **Ciudad Vieja**. Also we visited Brethren in their homes. The churches of **Tierra Nueva** and **Sakerty** keep on doing the possible to reach the souls in their respective places.

Lastly, we had our day of fellowship of the three churches in the place known as "**Torremolinos**" where we had a service in the morning and after a time of fun during the rest of the day. Here it was a blessing to **baptize a new Brother, Julio**.

Finally, I want to thank again, beloved Brethren, because thanks to our good God, it is you who keep doing possible the salvation of the souls and the edification of the Brethren here in Guatemala. It keeps being the desire and prayer for you so God can multiply the investment in our ministry and the souls in Guatemala.

Your servants,  
Santos missionary family
