Dear pastor and church:

I greet you cordially, reiterating our good desire that you are found rejoicing of the most rich and abundant blessings of our Lord Jesus Christ.

In these days, we have been winning souls in the high part of Ciudad Vieja. It is very difficult due to the religion and above all in the past recent days due to the festivals of the traditional religion due to the Holy Week. It is sad to see the people taking their religious images on their shoulders and they attend very little to the true Gospel of salvation in Christ. We were preaching with a portal sound system in the park called the “*San Pedro Las Huertas.*” It was a blessing to see the people with joy receive the tracts and evangelistic literature that we passed out while we preached with the sound system.

Thanks to God, Sister Blanca Hernandez brought **Melanie**, who **was saved** and keep attending church. Some brethren have been able to take relatives to church who are hard of heart, but we are seeing that the Word of God is touching their hearts.

With the church of Tierra Nueva, we already got another location and is winning souls in the surroundings. Thanks to God another young lady was added and Sister Guadalupe came back with her family. In the church of **Sakerty**, a group of children have increased, thanks to the Lord.

We thank the Lord for the donations that you send. With them, we have helped needed people. A small girl that drug herself on the floor due to being paralyzed, we were able to give her a wheelchair for her mobility. This, thanks to God also that has been of testimony to the people that we need to win for Christ.

And all this is possible, thanks to God and to you, that with generosity support us to be able to develop our ministry in Guatemala, and of which we are grateful with all of our heart and is our prayer and desire so God can bless you eternally. Thank you much, beloved brethren. We pray for you.
