Beloved Pastor and Church:

It is again a pleasurable privilege for us to be able to greet you. It is our beset desire and prayer for us so God can continue filling you of your love and much blessing over your lives and ministries.

Us here in Guatemala, we keep very grateful for our good God and with you for the precious support that you send to keep winning the souls and edifying them in the love of Jesus Christ and for this in the past recent days we have intensified our labor of the preaching of the powerful message of salvation in Christ.

From the mission church, Gracia Baptist Church, we have been winning souls in the area of Sakerty II, area of El Amparo II and one of the most humble areas that is found in the precipices that surrounds the Bethania Peninsula. Also we have made the work to give a Bible in each house of our most immediate neighbors of our church. so they can have a copy of the Word of God in each one of them, after we give them the plan of salvation. In this we give thanks to God because our neighbor Ramiro is attending with much faithfulness to our services and inclusively has started to collator the snacks for the children of Sunday School. From the mission IBF Tierra Nueva, our winning of souls have concentrated in the area of La Roca, which we concluded and then we moved to the area known as Arnoldo Medrano. Also we have been passing tracts of the Gospel and winning souls in the area of Santa Luisa and the market place and the small park of La Villa. These last places have the name of where is located in front of the Catholic church of "La Villa of Guadalupe." Thanks to God that we have had good results, in here as well in the other places that souls beings saved for the glory of God and many other have heard of our mouth the true message of salvation in Christ.

In all of this we give honor and glory to our good God for strengthen us and using us by His grace and you for which in accomplishing the Great Commission. You are the true mediums of the work of salvation for our ministry through your prayers and this precious and very punctual support that you send of which we can keep winning and edifying the souls here in Guatemala and of which we desire and ask to our Good God to continue blessing and rewarding you now and for eternity. We are very grateful for you. May God bless you and multiply you much, beloved brethren.
