July 2022

Greetings to all of our Wonderful Friends and Supporters,

We are thankful to be able to write to you all once again. We have been very busy with the work here **at the mission board office and in our private lives as well. By faith, we “Hold the Fort” because of His promise that He is coming soon. Even so, come, Lord Jesus.**

Mrs. Lucille is doing well. The Lord continues to bless her with a strong body and a sharp mind. She serves the Lord faithfully in the ministry in which he has placed her. It is a blessing to see the **Lord’s goodness. Keep her in your prayers.**

Marie is currently recovering from a knee replacement. The surgery went well and she is now recuperating and has started physical therapy. Pray for a speedy and complete recovery for her.

I (Angi) am mourning the loss of my mother. She suffered from dementia/Alzheimer's for the last several years but in January, she had to be placed in a facility. I spent a lot of time with her there and have juggled all of my duties for the last 6 months. Her decline was very speedy over the last few weeks and on July 9th, she went home to be with the Lord. Though I am saddened at the loss of my precious mother, I am filled with joy at the fact that she is no longer scared, confused, alone in her mind, nor in pain. The fact that she is with Jesus and the loved ones that have gone before her, the ones she has longed for for months and months, brings me more happiness and comfort than the loss of her brings me pain. Please remember me in prayer.

At this moment, we are preparing for our FBHM 40th Annual Jubilee, July 25-29. We are so excited to be here another year and thank God for all he has done through this ministry! Pray for us as we do our parts in preparation and execution of our duties, that we will be a blessing to those that will be in attendance and all those we come in contact with.

As always, we love and thank you for all you do for us and ask that you remember us in your prayers.

God Bless!
Lucille, Marie, Angi
