Soul Winning

March, 2025

To all our Fellow Servants helping with Native America;

I will take thirty-two song books to the Native American Church in Kayenta, Arizona. The Native American Fund at the Mission Board are for these needs to the Native American Churches. The churches that support this fund are a great blessing and I thank you.

One of my greatest needs is your prayers for my health. I am weak and must drive in the day time. Many do not realize how sick I have been. I am putting maximum effort in, to do the work. Please have understanding while I recover.

I am trying to set up a door to door Bible give away in Arizona for the Native American People. Another hundred Bibles are being shipped to Arizona. Also, I will be taking Bibles with me. The Bibles now cost about five dollars each for a case of twenty-four, about a hundred and twenty dollars. If you feel Spiritually led to help, please send all gifts to the Sexton K.J.V. Bible Fund c/o Fundamental Baptist Home Missions, P.O. Box 1510 Bessemer City, N.C. 28016. I thank everyone for your support.

I will be working in Arizona throughout the spring. God permitting I will be working in South Dakota and Wyoming in the summer.

I want too say again. I cannot own land on most Native Reservations. I can see that traveling will become harder as I get older. And hotel prices are very high. I know it is hard to understand, but at times I am working a 100 miles in, on the reservations. If it is God's will, I want to get a small RV trailer for traveling. It would help as I travel long distances between the reservations. If you can help, please send support Sexton RV account at the Mission Board.

Please pray about a church for the Apaches. I can see a possibility of a door opening for the work. It takes God to do this so let us all pray for His will.

I want to thank everyone for your love, prayers, support and just being there for us. I press forward to the mark of the high calling of God in Christ Jesus.
