February 2019

To all our Fellow Servants helping with Native America,

The Native American Pastors School in Arizona is on hold until the weather gets a little better. The thirty-one inches of snow makes it hard to travel a long distance. Over all, the weather has been hard to deal with. The blizzards, flooding, tornados, high winds and cold have slowed things down.

I am still looking for a small camper to park on the church grounds. I can't own land on the Navajo Reservation so a camper will help me be on the site of the school. Campers are high priced, I just pray that God will supply.

The church in Kayenta is doing much better now and I feel it will do fine. I feel we all have to learn. Sometimes it takes whale school.

We checked on the Native American preacher (that is now in Bible College in North Carolina), he plans to return and take the work on the Apache Reservation.

The K.J.V. Bible Ministry is reaching Native America. This week a hundred Bibles went out. Please send all offerings to the Sexton Bible Fund c/o Fundamental Baptist Home Missions, Box 1510, Bessemer City, N.C. 28016.

With the help of a church we have been supplying Sunday School Literature for years, to help a Native American Church to start a Sunday School with great success. There is another Native American Church that needs help also. I do not have enough finances to accomplish this, all literature is K.J.V. If you would like to help with finances, please send all offerings to the Sexton Native American fund at the Mission Board.

Please remember Joshua in prayer, he continues to improve. Sharon is still working on finances for her knee surgery. Please remember to pray for her.
