To all our Fellow Servants helping with Native America;

In April I went to have a kidney stent put in and after testing I did not need it. When I went back to see the doctors for a check up they said they wanted a biopsy of the kidney to see if there was some way they can improve the output.

We are going to pass out Bibles on Cherokee Reservation on June eighth (weather permitting). I am trying to arrange a door to door visitation inviting people to church and passing out K.J.V. Bibles. If you would like to help please call the Mission Board at (704) 629-4176

I will soon be with the churches out west. I will be doing some survey work to start a new church. Pray that God will lead us in this effort. Every church that is started begins with God and is a work of God. I am just a servant.

I have received enough funds for the Bibles on Cherokee Reservation. I am still raising funds for other Native American People. If you feel Spiritually led to help, please send all gifts to the Sexton K.J.V. Bible Fund c/o Fundamental Baptist Home Missions, P.O. Box 1510 Bessemer City, N.C. 28016. I thank everyone for your support. You're a part of over forty thousand K.J.V. Bibles reaching the field.

I enjoy preaching the Word and working with Native Americans very much.

I am still working through some health problems as I am putting forth a major effort in the ministry. I still need a small camper for the work. I thank everyone that has given support for this project.

Thank you so much for your love, prayers and Support.
