Prayer Letter - October 22, 2025

Dear Pastor, Church Family, and Friends,

I hope this letter finds you doing well and “**above all things that thou mayest prosper and be in health, even as thy soul prospereth.**” The last six months have been a time of transitioning for us as we have been ministering in the South Carolina Department of Corrections/Livesay Correctional Institution Yards A & B. God has knitted our hearts together with these men in a relative short period of time. Many have found the peace that they have longed for so long. We have seen some saved, some grow in their service outreach - realizing that God has them there for a divine purpose, and some have expressed their desire for even full time service. What a privilege it is to carry the Gospel into all the world, including those that are in bonds! May we ever be mindful of training these men (many of which are young) that the Lord may be able to use them and make them trophies of His Grace. It is a great blessing to see them move forward for the cause of Christ!

On October 16th & 18th we had services at Livesay Yard-A where the Lord blessed, and many came forward asking God to confirm some things to their hearts. I am grateful for this opportunity to serve the Lord in this capacity. I had been given a blue card for the Catawba Correctional Center in Newton N. C., and this week received a blue card for the Correctional Center in Lincoln N. C. These blue cards will allow entrance into these facilities on pre-arranged dates to hold services.

While we need to raise support, please keep praying that we will stay focused on raising awareness and recruiting laborers for the harvest. It is clear God is at work, and we know that what we do is possible through your faithful prayers and support. We have been blessed to have visited with some churches that supported us during our overseas mission work to also give an update of that ministry, and with other churches as well. We have several meetings scheduled for this year, and are now working to book other meetings, as my wife's health has significantly improved, thus giving us the ability to go more as needed. We have had a few to add us to their mission program and for this our hearts are filled with infinite gratitude!

Thank you for your faithful prayers and support!.
