GOD BLESS AMERICA!

May/June, 2019

Dear Brothers and Sister in Christ,

As we begin this prayer letter, we want to first of all say thank you for your prayers and financial support to us as we labor together for the cause of Christ. We are thankful for God's promise that tells us that our labour is not in vain in the Lord. Great and mighty are His promises.

Miguel, Rosita and Karyme Ayala have been our next-door neighbors for the past six years. Before then they were stationed in England. True to military life they are now leaving us and have been assigned to another Navy base around the DC area. It was sad to see the movers backing up to their door this week to load their belongings onto the truck. He has to report to his new duty station May 15. His wife and daughter will be staying with us for about six weeks so that the daughter can finish the school year here. Miguel will come and join them on the weekends. The sadness of these moves happens all too often for us. They have become a part of our family and we will truly miss them. We reminisce the moves of a lot of military families whom we grew to love and they too became a part of our family. It is with grateful hearts that we thank our Heavenly Father for allowing us to here in the Tidewater area of Virginia to minister to them. You with your prayers and financial support have helped to make this a reality to us. We thank you for this.

As our door hangers are going out through the neighborhoods, please help us pray for fruit from our labors. We have hung over 2,000 since the weather has broken which has allowed us to continue to hang them. Even when we do not see the results as quickly as we would like to, we know that God is in control and He and He alone can bring those whom He wants to be a part of our church family. We sometimes get discouraged, but we as David did, encourage ourselves in the Lord, knowing that He will bring the increase.

Please pray for Gideon. He is on his 6-9 month deployment. We are gathering "goodies" and sending a care package to him. The sailors are so excited to receive these care packages while away from loved ones, friends and family.

As we close this prayer letter, we are asking that you please pray for Mrs. Nora. She is having right hip replacement on 5/23. In May, 2016, she had her left hip replaced. She is in much pain but is still busy in the Lord's work.

THANKFUL TO BE IN HIS SERVICE,

Wade & Nora
