Dear Fellow Laborers;

Greetings in the wonderful name of our wonderful Savior the Lord Jesus Christ.

This note is to bring you up-to-date on what has transpired here in our part of the world for the last nine months. For most of this time I have done very little correspondence due to a closed mailing system, and a major problem with my e-mail account. But praise the Lord! Although we still cannot send mail out through the Post Office, I do have my e-mail up and running.

This year marks fifty four years for me pastoring churches here in the Caribbean in several islands. This past February, I retired from the pastorate, after spending sixteen years at Good News Baptist church here in St. Kitts. We have now gone into the ministry of evangelism and helps, working with churches that need assistance in particular areas. We have moved to Redeemed Baptist Church, whose pastor went home to be with the Lord after serving them for forty years.

We have already helped them to install a new pastor, and we will continue for the time being, to work with them through this very difficult period of time. Please be much in prayer for us, that the Lord may give us the wisdom we need to guide them through this transition period. We have already begun to help them to put in place several things that have been long overdue.

The Lord has been very gracious to us here in St. Kitts with regard to the pandemic. So far, we have had nineteen confirmed cases, with no hospitalization, and no deaths, but because of our limited resources, we can easily be overwhelmed if we were to have a serious second wave.

Thanks to you for your many prayers and faithful support. We do appreciate your help, without which, we would not have been able to continue to do the work that we are doing in this part of God's vineyard.

Please join with us in Prayer as we try to acquire a much more dependable transport. We are presently using a 2001 Nissan van that is under repair. Now that we have moved our service to Redeemed Baptist Church, we have to do a lot more traveling.

Please be informed that our P.O. Box number has been changed from P.O. 1137 to P.O. 345. The rest of the address remains the same.

Once again we say thanks to you for your faithful help. May our Master continue to bless and use you in his service.

Sincerely in Christ,

St. Clair Archibald Sr.
