February 2024

Greeting to you in the name of our soon coming King.

We thank you for the great impact you have had on our ministry, both through prayer and financial. Trust that all is well on your side, and the Lord continues to favour you.

From October of 2023 to present we have been facing some extremely difficult times. The grace of God has kept us going, therefore we are pleading with you that we will be in your prayers always, my family and the ministry. We haven't been able to accomplish as much as we would have liked, nonetheless, the Lord is carrying us through.

We thank God for His goodness towards us. In the midst of difficulties our Saviour has proven Himself to us. Children have gotten saved, young adults who have turned away from the Lord recommitted their lives. We know it's not going to be a walk in the park, therefore brethren we do covet your prayers.

Brethren pray for us  
The Sylvester family.
