Daniel 6:10, "He kneeled upon his knees three times a day, and prayed."

July 2023

Pastor and Co-Laborers:

Without a doubt, the times that we live are of much opposition, not only of our spiritual adversary, the devil, but also the laws and contrary practices to the will of God. This makes me remember of this tremendous servant of God in the past, Brother Daniel, who in spite of so much opposition was able to give to His God and our God the priority. For that reason, the Scriptures has left us a firm legacy for what we need to do in time like these. However, in reading of the extraordinary power of our Blessed God, the services and the prayer services in our churches each time are more empty. It is our responsibility keep sharing the Gospel and not faint in our prayer so all men be saved and come to the knowledge of the truth. Through this small report one more time I would like to thank you for your faithfulness in supporting us financially and with your prayers, so we can be firm here as your ambassadors in Honduras.

March: We continue winning souls for Christ house by house. One day we came to a place where we couldn't enter with the car and we had to go through a trunk over a river. Thanks to the Lord that He let us have access to the place and blessed be God that at least 10 people were saved. Among them Rosa, whom I share a photo (below). Also we keep faithful as a church in supporting 10 missionaries so more souls can be saved. Glory be to our Good God. In Honduras we celebrated in this month Father's Day and we had food in the 3 churches. We were able to preach the Gospel to the fathers that visited us and some made decisions. Also this month my younger son, Axil Miguel, graduated of his bachelor degree and we thank the Lord for His love and faithfulness, because he never left His responsibilities and ministries in the work of God (in spite of his studies).

April: Thanks to the Lord that some new believers decided to obey in baptism. Like to mention that a mother and 2 daughters (Maria, Cindy and Jeremias) recently got baptized. I ask your prayers so they can be faithful because they live in the mountain 1 hours (by foot) from the church building. We keep preaching with all liberty in the educational centers (schools and high schools).

Our actual needs:

1. For the health of my wife (diabetes) and for my heath (cervical hernias).
2. For our Beloved God to send more workers to work in the harvest of the Lord.
3. For the work in Toyos, Yoro, to build more Sunday School classrooms.
4. For a property for the work in San Juan Pueblo and the resources to build a temple.
