Beloved Pastor and Co-Servant of the Lord, Dear Brothers and Sisters in Christ;

I believe firmly that no one imagine what our Good God had prepared to live in the year 2020 and as well as individuals, families and church. We were not prepared for a time of such crisis. With the passing during the pandemic of COVID-19 had come, my family and I understood that we needed this difficulty and I am sure as a church also because we take many things lightly (liberties, privileges, possessions, etc) and we had despised the spiritual possessions that we have in Christ and have left on the side the tremendous privilege to speak with God in prayer. What a blessing is to know that more prayers are made and more reading of the Word of God because Right Now We Do Have Time, to occupy the spiritual things. I myself am very grateful with my Lord for the marvelous grace that has supported us during this difficulty to maintain firmly in His work. We thank also the love and faithful support of your pastor and of my beloved brethren. I desire to share that:

1. Our government due to the pandemic has ordered to closed totally the transportation, the industry and the commerce and also emit a decree to close the church buildings. That is the reason from the second week of March we have been doing the virtual services by WhatsApp and of that we haven't stopped worshipping and serving our precious Saviour. Glory to Him!
2. Each Sunday we have the 9am virtual service of Children's Sunday School and almost 50 boys and girls celebrate joyfully the name of our God. A group of 20 brethren is in charge of organizing and taking on this ministry each Sunday.
3. In addition each Sunday at 10am and on we have the virtual service of Sunday School for adults and young people and more than 10 brethren so support us for the organization and developing this ministry. A good group of brethren each week is meeting with their families to participate in the services.
4. Thanks to the Lord different times we have picked up food baskets to share with the most needy. It has been a blessing to take advantage to share the Bible and give a good testimony of favor of the Lord, that command us to love the neighbor.
5. We are waiting constantly in prayer so our Blessed Father can give us the opportunity to return to preach in the schools and in the prison, Meanwhile, we are preparing this end of month to share 5,000 tracts and John and Romans booklets for all our city, to keep soul winning and reaching others with the Gospel. I thank you for your prayers so God can shed salvation and eternal life.

Our Actual Needs:
1. For my health and my wife’s health.
2. For our missionary support so we can do the work of God with more liberty.
3. So our God can raise more workers to help in the harvest of the Lord to be able to attend the missionary projects of the 3 churches (Tela, San Juan Pueblo and Toyos)
4. For $15,000 US dollars to buy a property and build a temple of the Iglesia Bautista La Roca in San Juan Pueblo.
