Dear Pastor and Church:

It is joy to be able to greet you in the name of our Lord Jesus Christ and to know that you are well, enjoying of the abundant blessings and mercies of our great God.

By the grace of the Lord we keep on and thanks beloved brethren, for your abundant prayers toward your servants, already for four months that this pandemic started and the Lord has taken care of us of all sickness. In past years, already by this time we have visited the doctor various times but this year we haven't had the need to spend in doctors. Thanks again one more time for your prayers and faithful financial support. We understand that some church had to cut the support but faithful is our God that we don't lack nothing and He has provided all the necessary and much more. We are joyful for it and thankful for all the time that you have been supporting us financially and please keep praying for us.

Brethren, aw well in all the churches, it has affected us this situation. Thanks to God we haven't closed the temple but the attendance is low. We have a group of 10 to 15 people that come to each service. We have been transmitting through Facebook and we have seen many people have got sick spiritually because they don't come or see the services. Many of them have so much fear and some others are very spiritual that don't want to obey the law but they go to the stores and other places. WE hope that soon the people can get used to living with this sickness like any other one because the sickness of sin is more dangerous but many people don't want to understand and that is what is going to kill them.

What we had to do is going from house to house but we are waiting to have the opportunity to go out and visit. But when we have the opportunity to visit to someone to witness o for some special invitation because many people don't want them to be visited. But thanks to God that He send us visitors and there we present Christ like three neighbor children that have come to church in these last Sundays and were saved in the class. Glory to God!

Thanks pastor and church for keeping on. We also pray for you that God will watch over you and keep using you to extend His work.

P.S. Brethren, sorry for the delay because we don't have internet and the cyber were closed. Our Facebook page is: Iglesia Bautista Fundamental Betesda

We love you in the Lord!
