

# Please Pray for the Vincent Family Missionaries in

8th July 2019

Dear Saints of God,

I greet you in the precious name of our lord and savior Jesus Christ. The one whom deserves all glory and praises are ascribed to. It is a wonderful opportunity to be saved and moreover to know that you are saved. Thank God for his marvelous grace. In Titus 2:11 it says, for the grace of God that bringeth salvation hath appeared to all men.

In relation to my family, for the past few months we have been down physically with the flu and other air born viruses. But at present I thank God for bringing us through it all by his mercies and grace. My wife continues to work diligently with the ladies group and our bible clubs at our church. We have seen the hands of the Lord in these ministries. For the past few months gone by we have seen over 40 children attending our bible club on Saturdays. Saints it is my heart's desire to see the word of God reach and shape this next generation. Please pray for their soul salvation. My children are also doing fine. Coming up in the next 2 months my 3 years old daughter will be off to pre-primary school in September the Lord's will. My son is now 8 months and he is growing very fast. Please keep our family in your prayers.

At our church, we have been heavily involved in outreach program throughout our community. Our goal is to sow the precious seed of the word of God to our dying world. For the last 4 months we had experienced in our midst discouragements, dryness and death from some of the believers. We have seen many got saved as well as many that have no desires for spiritual things. One area the Lord has opened up my heart to the most is reaching out to students and teachers within our school system. I am thankful that through your prayers and financial support I was able to minister to over 2000 students including teachers with the Gospel from pre-primary level up to high school. So far I was able to give out over 4000 bibles and other Gospel literature within our school system. I trust the Lord that many students and teachers will read those bibles and come to the saving grace of our Lord. I will like to say special thanks to Pastor Gene Rowell and his members who had graced us with their presence on their mission trip to Grenada. They were very instrumental and effective in presenting the Gospel in our schools. Thank you for being with us. To add, if there is anyone of you who want to partner with us in this area to donate monies towards getting bibles to Grenada please send all donations to our mission board. Or if you would like to do a mission trip to Grenada and share the Gospel through the schools please feel free to contact me.

Here are areas where you can help us to pray please pray for;

Brother Jude who is sick and needs to begin kidney dialysis immediately.  
Our church family that they will walk faithfully before God.  
Our open air meetings coming up.  
Godly wisdom and direction in the ministry.

Once again special thanks to each of you for your unwavering support and prayers for us. The Lord continues to bless and keep you unspotted from this world at his appearing.

Yours Sincerely,

Donald Vincent
