

PLEASE PRAY FOR THE VINCENT'S FAMILY MISSIONARIES TO ST.VINCENT AND THE GRENADINES

May 28, 2024

Dear Faithful Supporters,

I greet you all in the wonderful name of our Lord and Savior Jesus Christ. For in him we are called and adopted in to the family of God. We give thanks and praises to the Lord for the wonderful spiritual blessings that he has bestowed on us as a family and in the ministry.

Speaking about family, we have been busy this year working tirelessly in the ministry. My wife continues to disciple our ladies at church as she heads up our women's ministry. To add, she is actively involved in teaching through our Bible Club on Saturdays. This year the Lord has allowed us to start a Bible Club with thirty-six children from different villages surrounding the Church. Every Saturday the numbers have been increasing but most importantly we are praying that through the word of God these Children would trust Jesus as their personal savior. Furthermore, we are thankful that our kids David and Aletheia do enjoy the Bible Club and look forward to participating in the activities presented whether it is quoting bible verses or battling with other teams within the bible Club. Please pray for their souls salvation as we grow them in the ways of the Lord.

As for me, over the past few years I have been battling with a lot of chronic back and chest pain from an accident dated 2011. I was able to do a MRI scan and the results showed that everything internally is normal. But still I am experiencing excruciating pain in my back and chest area. These Health issues have changed my life physically and have limited me in lifting weights or any heavy things. My Doctor has advised me not to create more problems doing too much hard labor. Nevertheless, with all my ups and downs I have learned to trust the great Physician for healing and rely on his strength in these times of weakness. God has been good.

At Community Baptist Church for the past five months we have been deeply involved in a number of things. Here are some as follows:

1. **Evangelism**- we have been out and about on our weekly Evangelism. We have targeted village by village sharing out Gospel tracts and giving out Bibles to those residents that are in need of bibles. We have been making great impact within our community and touching many lives as we work for the Lord. After spending three months evangelizing in an area, we would then have Open air meeting in the area. As a Church we still believe that the Gospel is the power God unto salvation to everyone that believes Rom 1:16.

2. **Open-air Meeting**- On the May 13th through the 17th we have had some good Gospel Meeting in an area called Lowman's Bay. This is an area that we have been sharing the Gospel for years. We have seen many of the villagers come out to listen to the Gospel being preached at their doorsteps. Praise the lord! Although no one got saved during the meetings, we are thankful that as a church we have obeyed the Lord's commands to go preach the Gospel.

3. **Bible Club**- we started our Bible Club with 36 children this year and it has being doing well. We have trained our Teachers and Volunteers as they minister to the children in Bible Songs, Games and most importantly the word of God. Another goal of our Bible Club is to help many children with their school assignments and those that are slow in reading. We are thankful that the Lord has provided through various persons to contribute snacks/meal to feed the children after the Bible Club is done for the day.

4. **Baptism**- this year I have had the privilege to baptize a lady that gave us electrical power to amplifier our system while we were preaching on the street. When the Gospel was preached she was convicted and wanted to get saved. Afterward she was mentored and got baptized and now she is a faithful member at our Church. We give God the glory.

Here are a few prayer Request and a praise;

- ❖ Pray for us as we try to raise monies to purchase a low income apartment from the Government the cost is \$73,000 Ec (\$28,000 Us). we have already \$5,000 Ec saved towards that.
- ❖ Pray for my Health issues as I continue to preach the Gospel and minister within the school.
- ❖ Pray that the Lord of the harvest will send faithful laborers into his harvest.
- ❖ I praise the Lord and I am humbled to say that the Lord has allowed me to finished my Doctorate Degree of letters in Education Christian with Honors and presently working on my first book. To God be the Glory!!

On behalf of my entire family I thank you for all, for partnering with us in the glorious Gospel of Christ. May the Lord continues to bless and keep you.

In his Field,

Dr. Vincent
