Dear Pastor and Praying Friends;

Greetings in the name that is above all names, The LORD JESUS CHRIST.

How wonderful it is to have a personal relationship with HIM.

The older I get the faster time goes by and the slower I get. As a child I did not like to take naps during the day; but now I could take a couple a day! Praise the LORD for allowing me to get old and be in HIS service.

Much has happened this year. In March Sister Williamson lost her mom. September 28, on my birthday, my dad went home to be with the LORD. I am glad both of them knew CHRIST as their Saviour.

October 15, Sister Williamson stopped working, she and I both are 71. Her knees have gotten so bad, that at times it is too painful for her to walk. Tomorrow she will be getting the first of three gel injections in her knees. Prayerfully this will help; if not she will have knee replacement.

Please pray for sister Paula Bonin. She drives about thirty miles one way to come to church. She has been in and out of the hospital multiple times this year and is currently in the hospital.

Numbers at Grace Baptist Church have declined. We are a very small congregation. I witness to people. Everyone wants to go to heaven, but they do not see the need of church or a personal relationship with CHRIST.

Please continue to pray for us.

Thank you for your prayers and support

Following Jesus and fishing for men.
