Dear Pastor and Praying Friends:

Here it is October, it's hard to believe this year has pasted so quickly.

It has been an eventful summer. June 5th it was necessary for me to have back surgery. I had gotten to the point I could hardly walk. I was in a great deal of pain. The fourth and fifth lumbar were moving back and forth. I had two cysts on my spinal cord plus a narrowing of the spine pinching the nerves. They removed the cysts did some scraping inside the spinal column giving the nerves more room. And put in two rods and four screws stabilizing the lumbar. The surgery offered immediate relief. I have been under restrictions for three months. The doctor has told me I can do what I want, but with limitations. I still have some issues but nothing like before. September 28, I turned 70 years old. Praise God for his great mercy.

My wife, 70 also, is still working at Wal Mart over night on the stock crew. She is having a lot of knee trouble and is supposed to have a stress test as she has been having some chest pain.

Church numbers are still down. One man that left now has a brain tumor. Another left because his brother a hyper Calvinist, openly tried to rebuke me over the Bible. I told him that I was pastor of Grace Baptist Church and he had no right as a visitor to rebuke the Pastor.

One lady, that drives over twenty-five miles one way from WV, on the 17th of October will have 1/3 of her colon removed. Please pray for Paula, she very faithful to attend church.

Please continue to pray that we might win souls for Christ.

Thank you for your prayers and continued support.

FOLLOWING JESUS AND FISHING FOR MEN.

KENNETH WILLIAMSON
