July 2018

Missionary Samuel Amaya

May God bless you to all the brethren in the Lord that form part of this group of servants in the Lord reaching the world for Christ.

I give thanks to my God always without ceasing. The Lord always brings you in memory to pray for you always remembering of your faith and constant work that you do so the Gospel will not stop. He has given of His grace to all of you putting in your hearts a burden for the lost souls here in Honduras. I have taken pencil and paper to let you know that we love you and thank each knee that pray for your servant and his family, for each offering that you give for the work of God to keep on. We hope in the Lord that you are doing well and that the hand of the Lord keep working in each church and family.

At this moment I want to inform you:

Iglesia Bautista El Escano:

We give thanks to the Lord for what He is doing in His work in these months. It has been of pure evangelistic activity in the church. In the church we have been winning souls in every village preaching in the schools. One of the wonderful evangelistic activities is to visit the center of rehabilitation for drug addicts, alcoholics, mental gang problems, etc. I was able with the help of God take the precious Word of God and share with them a plate of food. It was somewhat dangerous due to the lack of transportation because it is some distance from the church but thanks to the Lord we got to the place. It was something wonderful to see the thirst and hunger of hearing the Word of God. That filled me with joy. We sang hymns. Everything was wonderful. At the time of preaching, my tears fell because I remember the orphanage that was something similar in which there were 15 young people that wanted to come out from the gangs of the drugs and alcohol.

God gave me of His grace and I preached the title: I can do all through Christ which strengthen me. There were tears, repented tears, willing for Christ to be their Saviour. There were 14 on their knees recognizing Jesus Christ as their Saviour. It was something wonderful. At the end, they ask me to return. So I went back to discipleship them during a whole month. I went to preach to theme every Monday. By the grace of the Lord, 9 of them visited our church of Escano. On the anniversary day

of Sastre, God gave me of His grace where 4 of them I baptized. 2 of them belonged before to the biggest gang of Honduras - Mara 18 but glory to God one more time we gave a blow to Satan. I know that God can use me greatly in this place. The purpose is that souls is to be reached and they can have Biblical convictions and grow in the plain knowledge of the Word of God. I know that among them there pastors, missionaries, and evangelists. Help me pray so they can congregate in our church but we need transportation.

God has been wonderful in the work of Escano and it keeps growing. God given us men and woman willing to obey the Word of God. I ask your prayers for Brother Feliz and Sister Maria Ester. They had lived more than 5 years in fornication but thanks to the Lord but a month ago they decided to get

married. I have helped them with Biblical counseling and helping them with the offerings that you send. They are of very low income. We have sacrifice our stomach and of my family but it is worth it. This couple are neighbors of ours. They used to despise the Gospel but glory to

God the testimony of my family and consist of taking them the Gospel about all the work of the Holy Spirit. Now they want to get married. Please help us pray so the Lord can supply the necessary so they can obey God. We keep on, not fainting, thanks for your prayers and support.

The Church in Sastre

We give thanks to the Lord for each day that He does. The work of Sastre keeps on. We have 3 services per week - two for adults and one for Sunday School for children. We are picking up 24 children and 8 adults in an area where Catholicism abounds but God's Word has power. Last month, God let us take to His feet the son of a delegated Catholic. Now his son congregates with us and his name is Noe.

Thanks to God that on July 7, the church had 3 years of anniversary. We made a thanksgiving service where we invited Pastor Edwin Perez. Glory to God we had 100 in attendance and 4 baptisms. It was a tremendous blessing seeing brethren and collaborators on their knees and the support is not in vain. We don't stop witnessing. Thanks for praying and for support of this work that God is doing in Sastre.

Thanks church in general and friends in Christ for your prayers and support to our ministry. It is here that the Gospel don't stops in these two churches, in the radio, in the center of rehabilitation, in the schools, in the mountains where my brother Jacob goes and the ministry of the children where it is managed from my brother Josue.

Thanks brethren: Anthony and Mary, Jerry and Dorre Pinkerton, Cherry Grove Baptist Church, First Baptist Church, New Hope Baptist Church and Pastor Chip and Angie Stowe

Thanks to all. I love you much, dear brethren in the Lord. My tears of prayer are for you so the Lord bless you in all that you do and that that hand of God be always with you. In advance, I want to thank you for the intentions that you wanted me to be in your wonderful Jubilee Conference. Thanks brethren, I know that the time of God is perfect and will work in His time. I know that day will be great. This is my small report. I love in the Lord; keep on in the Lord.

And upon this rock I will build my church; and the gates of hell shall not prevail against it.
