Dear Pastor and Church,

I hope in the name of the Lord that you are doing well. I want to thank you for all your support and prayers that you and your church have done for us. Thanks to the Lord we did a lot last year. We saw more than 2800 people saved. We saw people getting baptized and new people coming to church. We saw Brother Henry Gomez get ordained.

Thanks to the Lord, we had brethren that gave funds to have the roof for the church in Tosca put on so we could have services there. Also thanks so much for the help in December that we were able to get a bus for the church in Sonaguera. The cost was \$11,000. Thanks to God for it. Please pray so we can finish the balance of \$10,021 this year. The bus has been of great help and we can see the difference that is making in church.

There are young men that we have seen the hand of the Lord on them. One is Jose and the other is Edward. Jose was in drugs and drank a lot of alcohol and went to wrong places before he got saved. But now he is saved and a new person, he comes to every service and he wants to help in everything. Please pray for these young men. Jose, is now being trained to be a pastor. We started a new work in the mountain and he is doing a great job. We have seen more than 60 people saved there and the people are happy.

Please pray for the Boy's Home that we can have sponsors to help us keep it going. We have three small children and four young men that need your help. We have taken them out of the landfill and have brought them to our church. They are great kids and they need your help. I also ask that you pray for my wife and my health. We are sometimes sick but please pray for us so God can keep using us in Honduras. We have a lot of plans for this year and with your support and your prayers God will help us. Please pray for me and my family support so we can keep working hard in Honduras and see many souls saved, lives changed, churches started, and people serving the Lord.

Thanks for all your help that you and your church are doing for reaching the lost, for kids that are being taken out from the landfills and bring them to a better life and training them to serve the Lord. Thank you so much and may the Lord double for what you are doing for the people of Honduras. Thank you and God bless you.

In Christ,

Missionary Josue Andrade and family
