Dear Pastor and Church,
I hope in the name of Jesus Christ that you and your Family and Church are blessed from heaven. This verse has been in my mind and my heart. Matthew 9: 36-38.

But when he saw the multitudes, he was moved with compassion on them; because they fainted, and were scattered abroad, as sheep having no shepherd. Then saith he unto his disciples, The harvest truly is plenteous, but the laborers are few. Pray ye therefore the Lord of the harvest, that he will send forth laborers into his harvest.

I was wandering through the streets and towns and villages and mountains of Honduras and looking at the great need of the Gospel of the Word of God. Thanks to all the Churches and Pastors and Brothers who have received us in their homes and churches to present what God is doing in Honduras, thank you very much for your Love offerings that we have received to get to Honduras and for the love offerings for the Bibles, to get in the public schools and in the hands of the young children of Honduras thank you very much. By the grace of God we were in many places in Honduras that we never had been. The first day we arrived we were tired but we traveled to Veracruz Copan where one of best coffees of Honduras is. We were with Pastor Leonel Maldonado and Pastor Miguel Gomez and Pastor Edgardo Perez of Santa Rosa Copan and also with the wife of Pastor Juan Cruz.

more than 206 Bibles given in the hands of the children and young people so that they could come to the salvation of their souls, we saw 91 professions of Faith. What impact my heart and my life is to be able to reach some children with ethnic Indians of Copan Honduras and we talked to them about Christ and they made profession of Faith and they were so joyous that they sang to us the national anthem of Honduras in their ethnic language. But it's sad that there are no preachers to preach to their people in their language.

From there we traveled to Lempira where it was that the Spaniards killed the famous Indian, Lempira, where the Lenca Indians are. It is a State that has been forgotten for the Gospel

of Christ? But thank God one Family that are there, they are The Iglesias Family preaching and reaching the people of the State of Lempira. The first day I was able to preach in the Church. And the next day we went to a place that is one of the most dangerous places in Lempira, but the people their opened the doors of their hearts.

We were able to give out 1,065 Bibles in the Public Schools in San Andrés and Erandique Lempira and see many kids re-

ceiving the Bibles in their hands with a big smile. And we were able to see 419 professions of Faith. Thank God from there we traveled to

It was a great trip, we were preaching in the Church where Pastor Juan Cruz started the first Church in Copan, he was a hero who gave his life for the Gospel of Christ and died going to start the Work of Corral Sonaguera Colon Honduras. We were also preaching in the Schools of Copan we gave

La Paz La Paz Honduras were Pastor Edwin Pérez and his family Pastor there.

Brother Marlon and Gladis and Brother Daniel and Estela and Brother Felix and Maria.

By the grace of God the next day we were able to distribute more than 536 Bibles and more than 313 Professions of Faith in the Public Schools of La Paz La Paz Honduras.

From there we traveled that same day to Olancho, the largest State in Honduras. And they only have two Baptist churches, that is so sad that being the largest State of Honduras only two Baptist Church and they have not been reached with the gospel of the Word of God. But thank God we got there and we were able to be at this areas of Olancho we went to Guarizama and Tierra Colorado and El Cajon and El Jute and El Rodeo and El Plomo Olancho.

From there we traveled 10 hours to get to Puerto Cortez and it was a great blessing to be with Pastor Luis Dole and many others Pastors from that area.

By the Grace of God we were able to give 2,700 Bibles in the Public Schools and more than 1,250 professions of Faith there in Puerto Cortez that was a blessing to see what God is doing in Honduras.

All this is with all your sacrifice that you and your Church are doing so that the Bibles could get to the hands of the young children and teachers of Honduras. How nice to see the children hugging and happy with a big smile because now they have a Bible in their hands. And teachers saying thank you very much Pastor for the Bibles. One teacher told me this; Pastor when I was kid I got a New Testament and with that New Testament for many time we have been learning the Bible but now the children will be learning from with their own Bibles. That broke my heart and made me happy that all that sacrifice you are making is worth it thank you Church.

Me and my family are so happy to be able to get to Plomo in that place was born and went to school a sister from First Baptist Church of Bridgeview IL where she heard the Word of God and know the Children have receive the Word of God in their hands, many came to Christ and they were so thankful to receive the Bibles in their hands. Thank God for Brother Larry Reyno and his wife for helping us to be able to get there and to be able to make this possible.

Also thank God that He gave me the privilege to preach in the Television and Radio in Honduras.

By the grace of God we were able to distribute more than 2,025 Bibles in the Public Schools and 1,012 made professions of Faith.

By the grace of God the next day we were able to get to Sonaguera Colon and I was able to marry three couples that there were.

By the Grace of God some Doctors came from North Carolina, it was Dr. Pinkerton and Dr. VO and a medical group to help the people of Sonaguera and in the Mountains and they went to Saba and San Juan Pueblo Honduras were all of people were treated with medicine and medical care and glasses and we were able to preach to

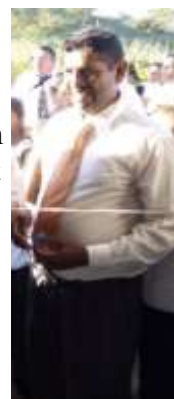

the people of the Gospel of Jesus Christ, thank God and the brothers they were a big blessing to the people in Honduras, especially the people of the mountains.

Brother Antonio preaching to this Lady the Gospel of Christ. We were able to see 1,000 people been treated and 107 made Profeccion of Faith.

Please pray because we also have to buy two motorcycles to go preach in Mountains, we need \$3,300 if you can help it will be a great blessing so the Word of God could get to the most remotest part of Honduras.

Thank God for giving us the opportunity to be in the Brisas Mt. of Mira Mar Sonaguera Honduras to help the people there. Please pray that God will provide for a building

there, if you could help us so the People of the Mountain could have Church Building to worship God.

Thank God that on August 6 my wife was celebrating her birthday, thanks to God for my wife because she is a great help to the Work of Honduras and a great Mother for my kids and great wife for me.

I ask please to pray for these young

teens that we preached to them of Christ and we invite them to the Church, please pray that they will come to the Church.

Also thank God for what He is doing with Pastor Samuel Amaya, this young man that God has been using him. He Pastors two churches, the Church Escano and Sastre (which is the Church that we just built this year) he is doing a great work there.

Please Pray for him because next year in November he will be getting married, so that God will help him to build a house for him and for the expenses of the wedding.

Thank God for Pastor Henry Gomez and his family they are doing a great job with the three churches in Politron and Tosca and Sonaguera Honduras.

Thank God for the Mayor of Sonaguera, Diler Hernandez & his Mayor office that they have been a great help to us so the Word of God could be preached in Sonaguera.
