Dear Pastor and Members,

Greetings in the name of our Lord and Saviour Jesus Christ. We do praise the Lord for health and strength to serve Him.

The past month has been really busy at the church. We are now nearing the middle of the school term at Gospel Light Elementary school, and things have been going well. There are, of course, challenges, but God's grace is sufficient. We have received donations of school supplies from Canada and the United States for which we are thankful. The items received are freely distributed as gifts and awards, and also to assist needy children.

At the church, we continue to minister through preaching and teaching the word of God. We are always blessed to see individuals come to know Jesus as their personal Savior and grow in their walk with Him. Please continue to pray for us as many times the work is exhausting and challenging. We just had a new family request membership at our church. They should be added to the fellowship soon.

We have just launched a new website, through which visitors can learn more about what the Lord is doing at Gospel Light, and can also take advantage of the audio sermons available for download free of cost. Please feel free to visit our website at [www.gospellightantigua.com](http://www.gospellightantigua.com)

We, once again, take this opportunity to say thanks for your prayers and financial support. This helps us carry out the work here in Antigua and touch lives abroad as well. May the blessings of the Lord continue to rest upon you.

In Christian Service,

  
Pastor David Archibald and Family
